**TRANSMITTAL LETTER FOR A  
SUPPLEMENTAL APPLICATION DATA SHEET**

Sir:

Pursuant to 37 CFR 1.76(c), please correct the Application Data Sheet filed on February 28, 2002, in connection with the above-identified application in the manner shown on the accompanying Supplemental Application Data Sheet. In support of this request, the undersigned asserts the following:

1) As required by 37 CFR 1.76(c)(1), this Supplemental Application Data Sheet is being submitted prior to the payment of an issue fee.

2) In the original February 28, 2002, Application Data Sheet, the last name of the first inventor was omitted. The accompanying Supplemental Application Data Sheet corrects this omission by adding the family name of "Danielson" and by clarifying that the city of residence of this inventor is "Solon." No other changes are being made to the "Applicant

Appl. No. 10/085,468  
Document dated July 8, 2003

Information" section of the originally filed Application Data Sheet. In addition, no changes are being made herein to any of the other sections of the originally filed Application Data Sheet.

3) The above-described correction is not a change of inventorship. Pursuant to 37 CFR 1.76(d)(1) and (3), inconsistencies are governed by the Declaration. The Declaration includes Arvin D. Danielson as an inventor. Thus, the accompanying Supplemental Application Data Sheet merely seeks to remove the inconsistency currently existing between the Declaration and the February 28, 2002, Application Data Sheet.

Accordingly, it is respectfully requested that the Applicant Information data for inventor Arvin D. Danielson in the Application Data Sheet be corrected to indicate the family name and city of residence shown in the accompanying Supplemental Application Data Sheet.

Respectfully Submitted,
